

R.A.C. TELEPHONE BOXES

Signs are erected on the roads leading to these Boxes, indicating that there is a Box ahead. Circumstances permitting, these signs are placed about one mile on either side of the Boxes. All the Boxes are numbered as shown in Column 1.

Under a reciprocal arrangement between the R.A.C. and the A.A., R.A.C. Members have the use of A.A. Telephone Boxes, in addition to the Club Boxes, the locks on the Boxes belonging to both organisations being now identical.

The following is a list of R.A.C. Telephone Boxes, followed by a list of A.A. Boxes.

Where two road numbers are mentioned, the Box is situated at the junction.
